DIRECTIONS:

1. Adhere the Whisper White embossed piece to the front of the Whisper White Thick Card base (the part that is NOT embossed should be at the bottom)
2. Adhere the Mossy Meadow die cut piece to the Pear Pizzazz strip making sure the side and bottom edges are even. Put adhesive ONLY ON THE BOTTOM and SIDES of the back and adhere to the bottom of the card front.
3. Candle Flame: Using Daffodil Delight Cardstock and the Leaf Punch, punch out three leaves. Cut the two side leaves off the punched leaf piece. This will leave one "flame". Using a small sponge and Bumble Bee Ink (or substitute any yellow) and sponge just around the edges. Repeat for the other leaves/flame
4. Adhere each flame to the back of the candle pieces.
5. Put glue on the back of the Candles and starting with the middle candle, slide it under the top of the Pear Pizzazz Piece. Repeat for the candle on the sides, placing them a little lower than the middle candle.
6. Stamp the sentiment in Mossy Meadow ink on the Whisper White Strip. Use the Banner Pick-A-Punch on both ends. Use dimensionals and add to the front of the card as shown.
7. Using the Wonderful Gems, add them to the greenery below the candles where the "holes" are.
8. Adhere the 5 1/4" x 4" piece of Whisper White to the inside of the card. Stamp a greeting if desired.
